

R6 Combine Program Details

PROGRAM OVERVIEW

The R6 Combine is more than just a basketball assessment—it's a complete, elite-level evaluation designed to reveal a player's true potential. Participants will undergo intensive drills, skill assessments, and receive personalized feedback from top-tier coaches. This program is tailored for players who are serious about taking their game to the next level.

WHAT'S INCLUDED

- **Individual Skill Assessment:** Each participant will be evaluated on key aspects of their game, including ball handling, shooting, defense, and overall basketball IQ.
- **Performance Feedback:** Players will receive personalized, actionable insights on areas for improvement and strengths to build on.
- **Elite Coaching:** Led by seasoned coaches with years of experience, participants will get access to expertise that has shaped the careers of professional athletes.
- **Combine Results:** Each player will receive a comprehensive report detailing their combine performance, including specific metrics and areas of focus for future improvement.
- **Pathway to Greatness:** The Combine provides a unique opportunity for players to showcase their abilities in front of coaches who can guide them toward future opportunities in competitive basketball programs.

WHO SHOULD ATTEND

This Combine is designed for players at all skill levels—from those looking to improve their fundamentals to advanced players aiming to refine their skills and elevate their performance. Whether just starting out or pursuing a professional basketball career, the R6 Combine will provide an elite training environment that fosters growth and development.

IMPORTANT NOTE
